  7. Resolution to amend mobile ordinance to require building inspection on installation of all new or used homes and charge the same fees as a residential home fee. (\$500.00)  
Uniform Dwelling Code does not distinguish between site built construction, modular or mobile homes.  
Consider a 10 year limit on the age of a home that can be installed.  
The 10 year date is a moving date that changes each year. Note the April 2007 State code exempts homes before that date from having to update to code, but if items are faulty the inspector can order a repair  
Possible vote to implement.
